

YOU SHOOK ME ALL NIGHT LONG (AC/DC)

^G She was a fast machine, ^C she kept her motor clean
^D She was the best damn woman I had ^G ever seen
^C She had the sightless eyes, telling me no lies
^D Knockin' me out with those ^G American thighs

^G Taking more than her share, ^C had me fighting for air,
^D She told me to come, but I was ^G already there
^G 'Cause the walls start shaking, ^C the earth was quaking
^D My mind was aching, ^{D7} and we were making it

^G And you shook me all ^C night ^{G/B} long ^D ^C ^{G/B}
^G And you shook me all ^C night ^{G/B} long ^D ^C ^{G/B}

^G Working double time on the ^C seduction line
^D She was one of a kind, ^G she's just mine, all mine
^C She wanted no applause, just a nother course
^D Made a meal out of me and ^G came back for more

^G Had to cool me down to take a ^C nother round,
^D Now I'm back in the ring to take a ^G nother swing.
^G 'Cause the walls start shaking, ^C the earth was quaking
^D My mind was aching, ^{D7} and we were making it

^G And you shook me all ^C night ^{G/B} long ^D ^C ^{G/B}
^G And you shook me all ^C night ^{G/B} long ^D ^C ^{G/B}
^G And you shook me all ^C night ^{G/B} long ^D ^C ^{G/B}
^G And you shook me all ^C night ^{G/B} long ^D ^C ^{G/B} ^D
^G And you shook me all night long

Accords de guitare
