**Paroles et musique :** John Lennon, Paul McCartney

```
        F                 C
Hey Jude, don't make it bad
     F   C7   C7/4   C7       F      ( F7 )
Take a  sad   song and make it better
    B♭                             F
Remember to let her into your heart
                       C7          F
And then you can start to make it better

        F                 C
Hey Jude, don't be afraid
     F   C7   C7/4  C7       F      ( F7 )
You were made   to  go  out and get her
       B♭                           F
The minute you let her under your skin
                     C        F       Fmaj7
Then you begin to make it better

        F7              B♭       Dm/A    Gm
And anytime you feel the pain, hey Jude, refrain
      B♭/F      C/E   C7        F       Fmaj7
Dont carry the world upon your shoulders
              F7           B♭      Dm/A    Gm
For well you know that it's a fool who plays it cool
      B♭/F       C/E     C7       F
By making his world  a little colder

        F6   F7    C    C4    C5        C    F    C7
Da da da da da       Da  da    da    da

Hey Jude, don't let me down
     F   C7   C7/4  C7         F       ( F7 )
You have found  her  now go and get her
    B♭                          F
Remember to let her into you heart
                   C         F       Fmaj7
Then you can start to make it better

          F7            B♭       Dm/A    Gm
So let it out and let it in, hey Jude, begin
      B♭/F        C/E     C7     F          Fmaj7
Your waiting for someone to perform with
                 F7              B♭     Dm/A       Gm
And don't you know that it's just you, hey Jude, you'll do
      B♭/F         C/E     C       F
The movement you need is on your shoulders

        F6   F7    C    C4    C5        C    F    C7
Da da da da da       Da  da    da    da

Hey Jude, don't make it bad
     F   C7   C7/4   C7       F      ( F7 )
Take a  sad   song  and make it better
     B♭                            F
Remember to let her under your skin
                     C             F
And then you'll begin to make it better
